The Pupil Premium Grant provides additional support for looked after children and those from low income families. The extra funding is made available to help them narrow the attainment gap between pupils from disadvantaged and those from more affluent backgrounds. From April 2012, the Pupil Premium was extended to include children who had been eligible for free school meals (FSM) at any point in the last six years (FSM 6).

Due to the socio-economic profile of our school, Akiva receives a very small allocation of this funding.

**Expenditure & Impact Report 2018 - 19**

*Allocated Grant: 2018/19: £3620*

*How we spent the Pupil Premium funding:*

Funding was directed towards ensuring that identified pupils were fully included in a range of curriculum enhancement activities (sport, workshops, music) in response to identified needs.

*Impact of the Funding:*

In 2018/19 Akiva pupils achieved highly. Disadvantaged pupils achieved in line with their peers. Internal data analysis and analysis of attainment at the end of Key Stages shows that our pupils are achieving in line with their peers and above the Local Authority and National expectations each year.

We will continue to use the PPG funding to enrich children’s learning experiences and enable our pupils to be confident, independent learners who are developing age appropriate skills.

**Expenditure Report 2019 - 20**

*Allocated Grant: 2018/19: £3620*

*How we spent the Pupil Premium funding:*

Funding is being used to ensure that identified pupils are fully included in a range of curriculum enhancement activities such as sport, workshops and music and to enable pupils to attend residential trips.

The finding will also be used to provide 1:1 tuition and small group interventions to meet the needs of an individual child in order to help narrow the gap been a disadvantaged pupil and the child’s peers.

*Impact of the Funding:*

To be completed in July 2020.
